About Ayvaz

Established in 1948, Ayvaz has been at the forefront of flexible connection parts manufacturing for over seven decades. Our extensive range of products includes various types and customized designs tailored to meet the specific needs of different industries.

Our company's reputation remains high, built on a foundation of providing innovative and reliable solutions to our partners. This steadfast commitment to quality and innovation has earned us the trust and loyalty of cooperators worldwide.

At Ayvaz, we are dedicated to supporting our partners around the clock, ensuring that they feel the presence and expertise of our "flexible solutions" no matter where their businesses are located. Our global reach and unwavering dedication to excellence make Ayvaz a name synonymous with reliability and innovation in the industry.

Consulting

At Ayvaz, we offer a wide range of products catering to various industries, ensuring that we meet the diverse needs of our clients. Our services go beyond just providing products; we also offer comprehensive engineering activities from product specification to project estimation, ensuring that we deliver the most specific solutions for each unique case.

Our team of experts is dedicated to sharing their knowledge and expertise with potential clients. We take pride in assisting those who encounter challenges with calculations for piping systems and product selection in new plants. Whether you are dealing with complex projects or need precise product recommendations, Ayvaz is here to provide the support and guidance you need.

Connect with Confidence

Ayvaz's primary goal is to be a global supplier that services all customers with a local mentality and presence. In 2020, Ayvaz has invested in the USA establishing AYVAZ AMERICAS to meet the growing demands of the North American Market.

Ayvaz has been supplying flexible metal hoses for over 40 years worldwide and has been providing valves for all risky and residential areas since 1948.

Since Ayvaz introduced the first flexible metal hose, Ayvaz has made more than 200.000.000 metres hoses in our manufacturing all around the world including the USA, Bulgaria, Poland, and Turkey.

Ayvaz has combined traditional background with the latest technology to its manufacturing facilities. Ayvaz has adapted industry 4.0, which is well known as the automation of traditional manufacturing, enabling a fully transparent and highly efficient production set up to deliver quality products to our global customers.
